

## **New COVID testing requirement – 11/18/2020**

Dear HFCN student,

Given the increased COVID19 cases in NYC and to ensure the safety of all, HFCN will require all students to be COVID tested between December 22, 2020 and January 4, 2021. The results of your COVID test must be uploaded in Castle Branch under the document tab for *COVID19 Test Results*. This is an added compliance tracker and is mandatory to enter the college and attend classes face to face or virtually.

Any testing prior to December 22, 2020 does not meet compliance and you will need to be retested between the specified dates.

Should you have any questions, please do not hesitate to contact Dr. Cathy Dolan at [cathy.dolan@helenefuld.edu](mailto:cathy.dolan@helenefuld.edu).

Thank you for your cooperation as we continue to focus on the safety of the HFCN community.

Thank you.

Dr. Griffin-Sobel  
President & CEO
